SCA Tissue: Background Fact Sheet

- SCA stands for Svenska Cellulosa Aktiebolaget, which translates to Swedish Cellulose Incorporated, began in 1929 as a holding company that combined the strengths of 10 forest industry companies in northern Sweden.
- SCA, headquartered in Stockholm, Sweden, today is a \$13 billion company that produces and sells absorbent hygiene products, packaging solutions and publication papers. SCA is the leading supplier of tissue products in Europe and employs more than 53,000 people in over 50 countries.
- SCA North America is a leader in tissue, protective packaging and incontinence care. SCA North America is headquartered near Philadelphia, Pa., and employs some 5,100 people in nearly 60 locations.
- SCA Tissue, headquartered in Neenah, Wis., is the largest division within SCA North America, with 2,400 employees in 10 locations. SCA Tissue is among the top three manufacturers of Away-From-Home tissue products in the United States.
- SCA Tissue serves the following market segments:

Foodservice	Commercial
Industrial	Healthcare
- SCA Tissue's key product lines are:

Napkins	Wipers
Toweling	Dispenser systems
Bath and facial tissue	Soap systems
